Personal Profile

A reliable and motivated student seeking a part-time or entry-level position in retail or customer service. I enjoy working with people, learning new skills, and taking on responsibilities that help a team succeed. Known for being polite, hardworking, and willing to take initiative. Looking for an opportunity to gain hands-on experience and contribute to a positive workplace environment.

Education

Highfields School, Wolverhampton

GCSEs (2020–2025)

- Maths – 6
- English Literature – 5
- English Language – 4
- Chemistry – 6
- Biology – 6
- Physics – 7
- Computer Science – 7
- Business – 6
- Design and Technology – 8

Sixth Form – Highfields School (2025–2027)

Currently studying:

- Physics
- Computer Science
- Design and Technology

Experience

Arborist Assistant & Gardening Support

(2023–2024, Weekends & Work Experience)

- Supported professionals with gardening and arborist work.
- Learned to handle physically demanding outdoor tasks safely.
- Built organisation, teamwork, and problem-solving skills.

Volunteer – Local Café (Duke of Edinburgh Programme)

(2024)

- Assisted with food preparation and maintaining hygiene standards.
- Helped greet and serve customers in a busy environment.

- Strengthened communication and teamwork skills.

Skills

- Friendly and approachable communication style
- Reliable, punctual, and responsible
- Quick to learn new tasks and routines
- Team player with a strong work ethic
- Comfortable with both customer-facing and practical tasks

Interests

Enjoy spending time outdoors, working with technology, and learning practical skills. I'm also interested in developing customer service experience and teamwork through part-time work.
